

Our objectives

- Supporting individuals in acquiring and developing basic skills and key competences
- Foster employability and socio-educational and personal development, as well as participation in civic and social life
- Develop businesses and intermediary bodies
- Make leaders, entrepreneurs and managers, participants of a better management of the productive rhythm
 - Support work-based learning
 - Improve the quality and effectiveness of learning mobility experiences and the development of national and cross-country sectoral skills strategies

ABOUT THE PROJECT

STAY AFLOAT project is designed to help entrepreneurs and small and medium-sized enterprises (SMEs) to identify and interpret early warning signs of a business crisis. The project aims at guiding individuals in acquiring and developing skills and key competences vital to starting, growing, and sustaining a thriving enterprise.

TARGET GROUPS

ENTREPRENEURS

BUSINESS ADVISORS AND COACHES

The project consortium

The project consortium is composed of 8 organisations from 8 different European countries.

RESULTS

The STAY AFLOAT project has 3 main results:

STAY AFLOAT FRAMEWORK **1**

A digital document containing up to date knowledge on early warning signals of business crisis, including detection and intervention opportunities.

STAY AFLOAT CURRICULUM AND OPEN EDUCATIONAL RESOURCES **2**

A complete toolkit for business advisors for teaching early-stage intervention skills to entrepreneurs as part of their business development programmes.

STAY AFLOAT ONLINE COURSE **3**

Based on the OERs and optimised for digital delivery, enabling SMEs and entrepreneurs to develop and test their skills.

Co-funded by the Erasmus+ Programme of the European Union
